

# Mina Ezzat Rawi Saeed

---

## CONTACT

19 Dr Ahmed Zaki st el Nozha el  
Gedida  
Cairo  
Egypt

**E-mail:** mina1ezzatz@gmail.com

**Phone:** 01203567043

## WORK EXPERIENCE

### Robusta Studio

Wordpress Internship

**June 2014 — September 2014**

## EDUCATION

### Collège Patriarcal (ex Frères)

Thanaweya Amma

**— class of 2011**

### German University in Cairo

Engineering/MET/DMET

6th Semester GPA 2.7

C+

**— class of 2016**

## SKILLS

### Member of GUC Robocup team

Rescue competition

Ambulance Team

### Computer

### Operating system

.Windows,Ubuntu

### Programming languages

. java (intermediate) ,C++,

### Database as

.SQL,mysql

### Web as

.HTML XHTML HTML5, CSS CSS3 ,javascript ,jQuery ,XML ,PHP ,VRML ,WebGL  
,WSDL ,SOAP

### Graphic as

.openGL C++ Unity3D

### Programming skills

.AI as i'm a member in robocup team

.Data Structures and algorithms

.Networking (Socket programming)

.Web Usability

.Networks

1.Application layer as

.HTTP .FTP .SMTP .DNS

2.Transport layer as

.TCP .UDP

3.Network Layer as

.IP

### **Software**

I am good in using the following software

.Microsoft office ,Matlab ,Eclipse ,Visual Studio ,xampp ,Adobe flash ,Adobe Photoshop ,GIMP ,Audacity ,3D max ,Adobe DreamWaver ,Adobe Premiere ,Movie Maker

### **Projects**

**.privilegeschool.com (wordpress)**

Internship Project

**.rumblebee.robustastudio.com**

Internship Project

Wordpress

**.Archive backend (Wordpress)**

Internship Project

This is archiving backend for studios having projects as custom post type and every project has its details . Having easy search technique for users like search by category ,taxonomy,project name (using autocomplete) and user can export the search query as excel file or export the project as pdf file.

**.Musical Game (Unity3D)(Not completed)**

That's my idea for making a musical game like musical plays using first person technique

**Game add** <https://www.youtube.com/watch?v=52kk40oMYZw>

**.Backbone of League of Legends (Java)(Game)**

Class project

Computer programming lab

**.Line of Actions (Java)(Game)**

Class project

Computer programming lab

**.2D lunar Lander game (C++,opengl)(Game)**

Class project

Computer graphics

**.3D lunar Lander game (C++,opengl)(Game)**

Class project

Computer graphics

**MySchool System (SQL,C#,.net)**

Class project

DataBase

**.Chat room (Java,Socket programming)**

Class project

Computer networking

**.Embedded Google maps in a webpage(HTML5,CSS,JavaScript)**

Class project

Web and Usability

**.Short path navigator(HTML5,CSS,JavaScript,PHP,mysql,XML,JASON)**

Class project

Web and Usability

**.MIPS simulator(Java)**

Class project

Computer Architecture

**.Altera DE2 music player (verilog)**

Class project

Digital System Design

**Speaking languages**

.Arabic

.Francais:(Good) Graduate from french school + DELF B1

.English: (Good)

.German: (Fair) (level A2)

**INTERESTS**

**Interested in**

.hard works and challenging tasks.Knowledge

.Teamwork

.Making useful projects

.Travelling
